Wamsutta Perfect Soft MICRO COTTON Bath Towel Collection Set

Rating: ★★★★★

Is it wrong to fall in love with a towel? The verdict may still be about for some and on the coat tails of Halloween some might find it creepy to consider yet perhaps this warrants a bit of exploration. Take for instance the following scenario. It has been a long, hard day. The rain and wind have done their job well. We have all experienced it, that weary feeling that permeates right down to the bones. The solution, surround oneself with two very helpful remedies two very powerful types of bubbles - bath and champagne. The tub takes the chill off with soothing aromas wafting gently through the air as the tensions of the day float away from your body. the champagne, well that needs no explanation. How to cap off the perfect tension tamer? The perfect indulgence of the Wamsutta Perfect Soft MICRO COTTON Bath Towel Collection Set.

Create your own relaxing home spa with this luxurious bath towel collection from Wamsutta, a leader in luxury linens for over 150 years. The [towels](#) are carefully crafted of high-quality, 100% ring-spun cotton to be both extra-soft and durable.
