I bought these washcloths with the matching hand towels and bath towels. They are beautiful and soft and feel like they will last a long time. I am very happy with my purchase.

I love these towels. I looked through many websites to find the perfect towels and am so happy to have found these. They are a great size and are very soft and feel like they will last a long time. Make sure to always wash black towels before using though or else you will be drying off with a mess of black fibers otherwise and have to shower again! I recommend these towels. (hide)

Love these rugs. So soft and luxurious. I have not washed them yet but expect they will wear like the previous rugs of the same type.
