★★★★★ Best Bath Towels Ever!!!!

As a last minute shopping, I brought this bath towel when I was visiting my friend's place in Akron as I forgot to pack one. These towels are super soft and I loved the color which made me buy them. These towels dry you off so easy and the quality is great !!! What a difference! Long, plush, absorbent. I bought 4 of these bath towels with the entire set while coming back - for my household and our guests. Definitely a good decision to buy it!!
