All the towels in the Hotel Collection line are of excellent quality. I bought the first ones we own about 2 years ago and they are still in excellent condition. I recently bought more for another bathroom because I was so pleased with the quality.

June 8, 2016

Love these towels. They are luxurious and they come in so many colors to pick from. I replace my towels every 2-3 years, they are reasonably priced and the only towels I use .Enjoy &#10084;&#65039;&#10084;&#65039;&#10084;&#65039;

Purchased these for my mother. They are soft and of good quality. They get a lot of washing and a bit of bleach due to being white. Very pleased with this purchase.

### Love Bath Sheets

March 18, 2016

I will never go back to regular towels. These Bath sheets are fluffy and soft. They aren't quite as big as the Turkish Hotel collection bath sheets, but they're also not as expensive. They launder well and I love using them!

 **Yes, I recommend this product.**
