I bought this blanket for an extra layer to put on the bottom of my comforter for really cold nights. But I mainly bought it for the summer when it gets too hot &/or humid to use my comforter, this will be perfect. It's 100% cotton so breaths really well but it also has a weight to it so it also keeps you warm.

✓ Yes, I recommend this product.

I bought a king, and it is ample on the dimensions. I like the tight weave, the comfy drape to it, and it seems like it will last a long time. I think it feels great with the air conditioning - altho the hubby flips his side off - it will be a great light blanket for spring and fall too.

✓ Yes, I recommend this product.

So Far So Good

April 1, 2015

I recently purchased this blanket in gray to use on my bed in the spring / summer months. The color is even and the pattern adds interest without it being distracting to other patterns going on. I bought a king size for my king size bed. It fit fine, but....I have not washed it yet. I am going to save the packaging and return it if it shrinks. In the meantime, I'm enjoying it very much!

Good quality blanket

May 8, 2015

This blanket has a very tight weave to it and does not get pulls with normal use. We have used it for 3 years. It does shrink somewhat when washed and dried. The king size with 100 inches in original length is not enough length to tuck in at the bottom of the bed, my only regret.

 **Yes, I recommend this product.**

Very pleased

April 3, 2015

This is my second Hotel Collection blanket that I've purchased and I could not be happier. There are a few snags in my older blanket but I'm pretty sure its from my cats jumping up on my bed. The blankets also wash up beautifully. I own quite a few blankets from other retailers but none compare to the quality of this blanket.

 **Yes, I recommend this product.**

Great blanket, repeat purchase

February 24, 2015

I was so pleased with the quality and price of the full/queen blanket recently purchased from Macy's Hotel Collection that I order the same in twin size. I have not been disappointed in any characteristic of this blanket.

 **Yes, I recommend this product.**
